November 6, 1964

Board of Selectmen

Freedom, Maine

Gentlemen:

In accordance with the provisions of Section 26, Chapter 90-A, Revised Statutes of 1954, and at your request, the financial records of the Town of Freedom have been audited for the municipal year ended February 15, 1964.

As required by statute, one copy of this report together with the audit procedural form prescribed by the state auditor for governmental audits in accordance with statutory requirement have been forwarded to the State Department of Audit.

The examination was in the form of a limited general audit and performed in accordance with standards established by the State Department of Audit and by the National Committee on Governmental Accounting. Audit analysis was on a basis consistent with the preceding year and included all procedures considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial affairs of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules together with the accompanying comments present the result of the financial operations of the Town for the period designated.

All of which is respectfully submitted,

C. R. WOODMAN**Public Accountant**

COMMENTS

Town of Freedom

February 16, 1963 to February 15, 1964

An audit of the financial records maintained by the various officers of the Town of Freedom has been completed for the municipal year ended February 15, 1964.

The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following comments, exhibits and supporting schedules.

An analysis of the results of the year's operations showed that net departmental balances credited to surplus amounted to \$6,351.54, per the following summary:

Departmental Balances

Unexpended	\$6,966.31
Overdrafts	614.77
	<hr/>
Net Balances to Surplus	\$6,351.54
	<hr/>

Unexpended balances in excise tax and Winter Roads accounts were the principal factors contributing to the net balances credited to general fund surplus.

ASSETS....The general fund cash balance of \$12,596.62 was reconciled with a statement furnished by Depositor's Trust Company, Belfast, Maine.

Taxes Receivable of \$4,093.26 represented the uncollected balance of the 1963 commitment in the amount of \$3,114.55 and a balance of \$978.71 remaining uncollected on prior years assessments.

Tax Liens and tax acquired property amounted to \$895.70 and \$1,100.93 respectively at the year end.

Accounts Receivable amounted to \$47.00 and consisted principally of charity payments due from the State.

LIABILITIES....The Town had no recorded liabilities at the year end.

SURPLUS....The unappropriated surplus of the Town amounted to \$18,758.51 at the year end, an increase of \$6,185.20 as compared with the preceding year. This increase was occasioned principally by the lapsing of operating account balances to surplus, particularly balances in Winter Roads and excise tax accounts.

DEPARTMENTAL....The departmental operating accounts showed an increase of \$3,953.63 in funds raised from taxation, as compared with the preceding year. This was due principally to the greater use of surplus funds in 1962, as compared to the current year. In 1962 \$3,630.00 was transferred to operating accounts while in 1963 only \$500.00 was utilized as voted by the Townspeople.

TRUST FUNDS....Trust fund principals amounted to \$700.00 at the year end, while unexpended income amounted to \$31.06. These were represented by time deposits.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at February 15, 1964, and the result of it's operations for the year ended.
